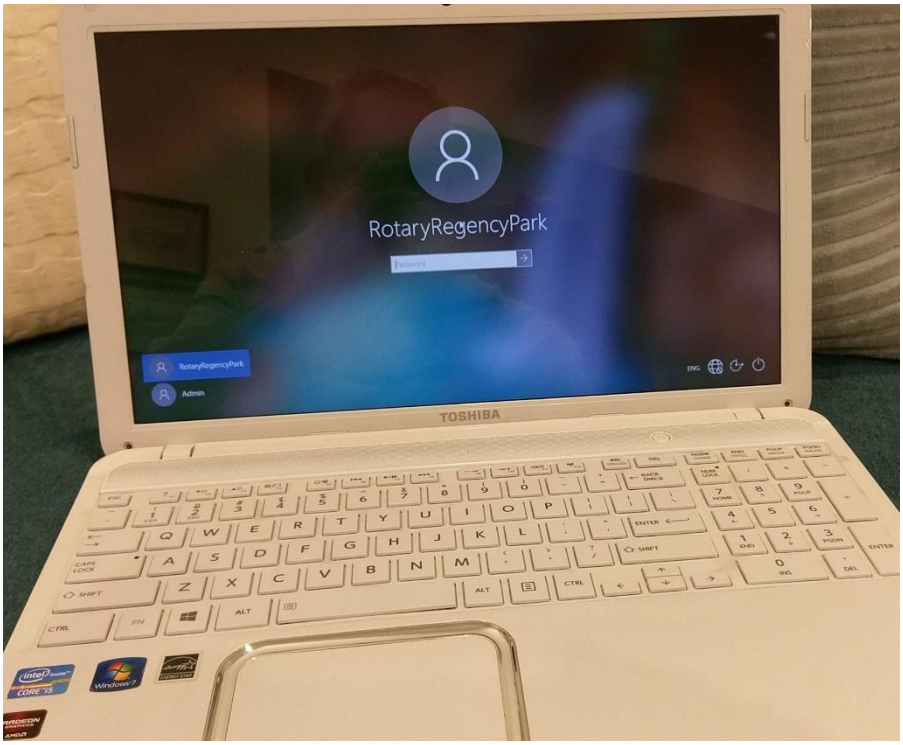
Notes from Meeting #1991 – 10th March

Brian reports that the key points from this **Board Meeting** are as follows:

1. A big "thankyou" to Member **Michael Banjac** who has donated a Toshiba Satellite L850 **Laptop** to the club complete with Windows 10, Microsoft Office and Norton antivirus software. The intention is that it will be used for presentations by Guest Speakers rather than relying on personal laptops.



2. A Bluetooth **mouse** and a green **laser** presentation device have been purchased with residual funds provided through a Commonwealth 'Strengthening Communities' Grant.
3. The Board approved the treasurer to set up of an **EFTPOS** capability for use at catering events and, in particular, the Rotary Down Under stall at the 9500 District Conference – (*but see below*).
4. The Board also approved the expenditure of the money generated from selling doughnuts at the January 2019 Scout Jamboree toward newly **Club Branded items** and other promotional material. This will include the purchase of a supply of the Carolla Capers branded coffee cups and drink bottles to be used for guest speakers once the 'Rotary glasses' run out.

Other news this week

Covid19 says it all really.

Jane Owens announced yesterday that the **9500 District Conference** in Whyalla is **cancelled**.
