Notes from Meeting #1993 – 24th March

This was our first **ZOOM** meeting. Here is a screen shot of what many of us were looking at during the meeting. Ron's image is highlighted yellow as he was talking at the time.

As you can see Rhonda, Ashleigh and Jack K did not have video upload and hopefully these will improve with time. Vic was also present early on.

For the first attempt for us all of using this new technology, it went pretty well.

Items discussed included a note that the **old club website** has been **closed**.

Corolla Capers was mentioned but it is feared that it may well not go ahead this year due to the Covid19 situation. Ron is to send out an update by email.

Brian mentioned that **branding materials** such as a marquee, posters etc. are being sourced.

He also promised to follow up **Food Bank** possibilities for us.

Brian also noted that we have to make 70 more **packs of personal hygiene products** to help women subjected to domestic violence. We had previously made up 25 packs on the 18th February as part of Meeting #1988. Rhonda agreed to discuss this with Jack K and get assistance from Russell and others if necessary. The additional packs need to be completed by early May.

Other items

In preparation for President Russell's birthday this Tuesday, here is a photo sent in by Ashleigh of Russell searching for his troops before the 2019 Pageant at Port Adelaide.

You might think that Covid19 was there already but 20 minutes later it was very very busy.

Jack K reported that he is still doing the bread deliveries and had received this Certificate of Appreciation from the Adelaide West Special Education Centre thanking the Rotary Club of Regency Park for delivering bread to these families.

He also noted that both St Bede's and Rose Darling's breakfast programs have closed down.

A few weeks ago Ron sent in this photo of Les looking very Presidential when receiving his 2020 Citizen of the Year Award on Australia Day.

Thanks to Les
