This was our 5th ZOOM meeting and this week we were also honoured to be joined by **David Jones** (next DG), **Lenard** and **Jasmina** from AU Rotaract Club) and later by **Harrison** from the Gold Coast.

David Jones reminded us that next year's **District 9510 Annual Conference** will be on the 18th of April 2021 in Bendigo. Ideas are being finalised for a virtual walk/cycle.

Guest Speaker

This week we were honoured to be shown a presentation by **Fay Reid** of the Unley club (formerly with Mitcham) and we were also joined by Trevor McGuirk from the Unley Rotary Club. Fay described the self-funded work she has been doing at Delousi Village located on Malaita Island of the Solomon Islands.

There is plenty of rain but they need tanks, sanitation, reliable shelter, chicken coops and assistance with basic health care. Here is a selection of images that she showed to us.

A simple lesson in economics (from Les)

It is a slow day in the small outback town.

Streets are deserted.

Times are tough, everybody is in debt, and everybody is living on credit.

A bloke drives into town stops at the motel and lays a \$100 note on the reception desk saying he wants to inspect the rooms to pick one for the night.

As soon as he walks upstairs, the motel owner grabs the bill and runs next door to pay his debt to the butcher.

The butcher takes the \$100 and runs down the street to retire his debt to the pig farmer.

The pig farmer takes the \$100 and heads off to pay his bill to his supplier, the Co-op.

The bloke at the Co-op takes the \$100 and runs to pay his debt to the local prostitute who has had to offer her "services" on credit.

She then rushes to the motel and pays the \$100 off her room bill.

The motel owner puts the \$100 back on the counter so the visitor will not suspect anything.

At that moment he comes down the stairs, states that the rooms are not satisfactory, picks up the \$100 bill and leaves.

No one produced anything.

No one earned anything.

However, half the town is now out of debt and looks to the future with optimism.
