BULLETIN – 3rd May, 2020 #1999

Theme for May - Youth Service Month

Covid-19 meeting arrangements

We are having weekly Tuesday meetings from home by way of ZOOM.

These start at 6:00pm and shouldn't last for more than 1 hour.

This week is meeting #1999.

Meeting #2000 will be in one week, on the 12th May, and Russell has sent out an email confirming that we will invite past members, Honorary members, Rotaractors and other Rotarians connected with the club, Friends and Alumni to join our Zoom meeting.

Those who have connections with the club going back a number of years will be asked to give a 2 minute talk on a past 'happenings' or memory of Regency Park Rotary. To avoid doubling up on who invites whom, he is asking us to please advise him by today (Sunday 3rd May) who we would like to invite. He will then send out their invitations.

Notes from Meeting #1998 – 28th April

This was our 6th ZOOM meeting and this week we were also honoured to be joined by **Julie Johnson** and **Doug Layng** and also **Ridhivar** from the Rotaract Club of Adelaide. Here is a screen shot taken during the meeting. It raises some interesting questions as to how Ron has managed to master the professional backdrop technique and why is Brian wearing Hi-Vis.?

Jack K reminded us that he has sent out a list of who is to collect what items for the **Domestic Violence packs** and that they should be obtained within the next week (or so). He will collect them after he knows they are ready and will assemble them into the 50 bags.

Les reported that the **bushfire relief** effort was progressing slowly and he will also be in contact with **Bunnings** soon to inquire if there is any progress on the reintroduction of Sausage Sizzles.

There was considerable discussion about the content of **Meeting #2000** on the 12th May and the general consensus was that we should invite past members etc. and where possible for them and older members to give brief talks on subjects of their own choosing relevant to the history of the club.

The **Board Meeting** will be deferred to the following week, the 19th May.

Repainting the **barbeque trailer** was raised by Vic and he volunteered to progress this with Ken as to getting the front towing bar lengthened and to see how it could be cleaned. Brian will confirm the paint colour (Rotary Blue) and badging.

Donation from Coeur d'Alene Rotary Club

Since the last meeting Reg Hutchinson has advised that a significant donation has been made to the District 9500 Bushfire Fund by the visitors from Canada and the USA who stayed with us on their RFE in October 2019. Here is an extract from their letter;

This gift of \$4,300 is from the Coeur d'Alene Rotary Club members and the four couples participating in the RFE: the Riggs, Simpson's, Verby's, and Whalen's. After sharing stories of our successful RFE we extended an invitation to our membership to assist. The Coeur d'Alene Club pitched in \$1000 and the remaining contributions are from individual members of the club and the RFE couples.

As a gesture of goodwill and genuine friendship we hope you will accept this gift as a token of our appreciation and love for your lovely people and Australia.

Some Lighter Thoughts

“Male, 38, still living with his parents. They asked us to keep him overnight, so they could change the locks.”

A potential buyer for Virgin Australia... looking forward to the inflight sausage sizzle 😂

My Living Will

Last night, my kids and I were sitting in the living room and I said to them,

“I never want to live in a vegetative state, dependent on some machine and fluids from a bottle. If that happens, just pull the plug.”

They got up, unplugged the Computer and threw out my wine!!
