BULLETIN – 10th May, 2020 #2000

Theme for May - Youth Service Month

Covid-19 meeting arrangements

We are having weekly Tuesday meetings from home by way of ZOOM.

These start at 6:00pm and shouldn't last for more than 1 hour.

This week is meeting number

2000

Russell has sent out an email inviting past members, Honorary members, Rotaractors and other Rotarians connected with the club, Friends and Alumni to join our Zoom meeting.

Those who have connections with the club going back a number of years have been asked to give a 2 minute talk on a past 'happening' or memory of Regency Park Rotary.

Notes from Meeting #1999 – 3rd May

This was our 7th ZOOM meeting and this week we were visually joined by Ashleigh. We also had the company of **Robin Hamilton** (Dunbar, Scotland) and **Peter Sowden** (Walkerville). Here is a screen shot taken during the meeting showing Ron in a black & white Vancouver and a fuzzy Jack Kelso.

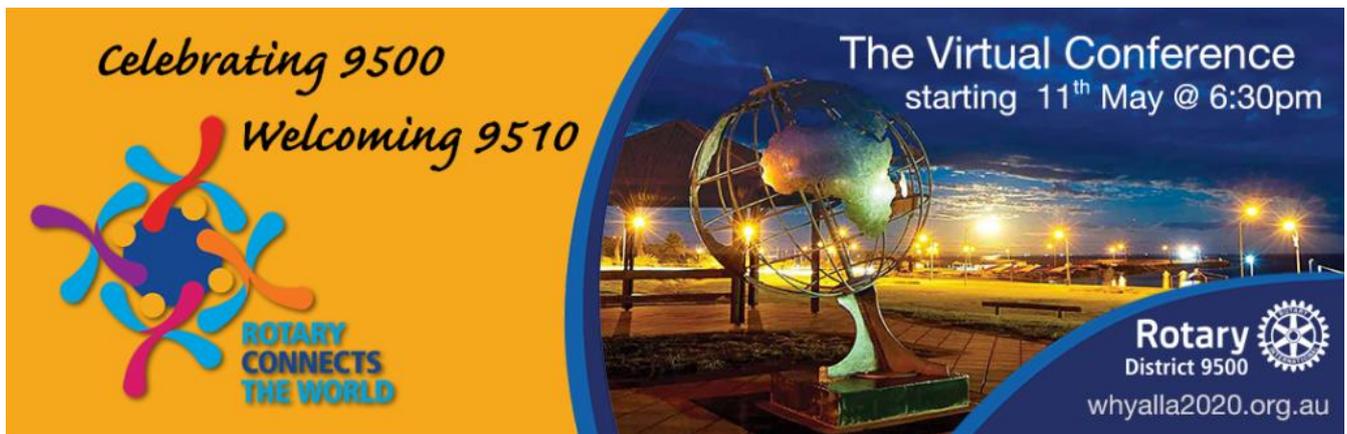

Jack K advised that most people had obtained their items for the **Domestic Violence packs** and that he would collect these this week and will assemble them into the 50 bags.

Angela asked for members to consider **disbursements**. Les suggested DIK and Cathy Booth's Umoja orphanage project in Kenya (see Bulletin #1979) for consideration.

Ron reminded us that **THE BIG WALK**, scheduled for the 10th of October, is coming up and needs thinking about. He also advised that the **Corolla Capers** committee will decide on the 29th May if this year's event will go ahead. The order form for the **Merchandise** (polo shirts, fleece sweat shirts, caps, mugs, water bottles) has been sent out and needs to be returned to Rob Searle by this Friday, the 15th of May.

Robin showed this photo of the delightful historic harbour at **Dunbar**. As a civil engineer, one of his activities is helping with its preservation. The Dunbar Rotary Club is also involved in establishing a Women's and Girl's Crisis Centre in North East Bengal. Interestingly **Jack Kelso** was born in Dunbar.

The Weekly Wheatley Quiz (Number 5)

Last week there were only 2 entries which is very disappointing. Brian has advised that this will be the last quiz unless more people participate. Please have a go, you do not to have an answer for all questions.

This week is **Brian's Brain Teasers**

A quiz for all and *possibly* more than one correct answer to each question.
