Notes from Meeting #2000 – 10th May

This was our 8th ZOOM meeting and was a very special meeting because of its auspicious number. Russell invited past members and associates to join the meeting. It was an excellent and enjoyable meeting with several new faces as discussed below. Here is a screen shot.

Those with sharp eyes will see that we were joined by Jeff Cluse, Peter Sowden (labelled Judy), David Egan, Paul Crockett, Barrie Trevarrow, Julie Johnson, Montana, Phil Motteram, DGE David Jones, Doug Layng and DG Jane Owens. Ridhivar (Adelaide Uni Rotaract) also joined. Special mention must also be made of Dale's two daughter's Rebecca and Rachel (labelled as Craig).

Charter President Ernie started proceedings reminding us of his vision for a club that was active in the community, gave everyone an active role and also had fun in the process. It was mentioned that the clubs' **40th Anniversary** is in October later this year.

David Egan made special mention of Les' photo albums and also highlighted the great contribution to the club by Mike Semmler and showed a caricature of him that was drawn by Mike.

Paul Crockett (President in 2007/08), Dale (Secretary for many years), David Jones, Rebecca (RYEX) Phil Motteram (pictured above in Singapore & RYEX 1988 to Japan), Doug Layng and David Jones all gave interesting snippets of their association with the club over the years. Jack K made special mention of Mike Semmler and Frank O'Malley as being particularly notable characters in the club's proceedings. Ken Adams was mentioned quite often in a similar role. Angela rounded off the meeting emphasising the club's welcoming attitude to women, its comradery and the joy it gives to members.

Friday Walk Recommences

The regular Friday walk is back on with social distancing and a maximum number of 10 until the 8th June after when it can expand to 20. These photos are from Russell.
