BULLETIN – 24th May, 2020 #2002

Theme for May - Youth Service Month

Covid-19 meeting arrangements

We are having weekly Tuesday meetings from home by way of ZOOM.

These start at 6:00pm and shouldn't last for more than 1 hour.

This week is meeting number 2002 and we will be joined by *Jerema Gallagher* from the Community Hub – Ridley Gardens Community Garden, who will tell of her volunteering and *Lesley Larecki* as well hopefully.

All are welcome.

Birthdays this week – Margaret Kelso 25th May & Brian Wheatley 31st May

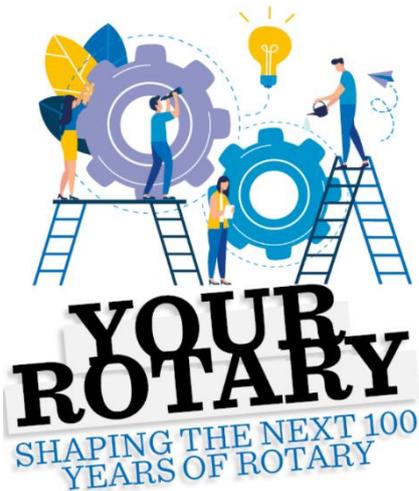

Notes from Meeting #2001 – 17th May

This was our 9th ZOOM meeting and was a Board Meeting. Here is a screen shot.

All members were reminded of the email sent from Rotary Down Under on the 19th May. Its intention is to develop a plan for shaping the next 100 years of Rotary in Australia, New Zealand and the Pacific.

They are hoping for a response from us all by the 19th June.

How can you get involved?

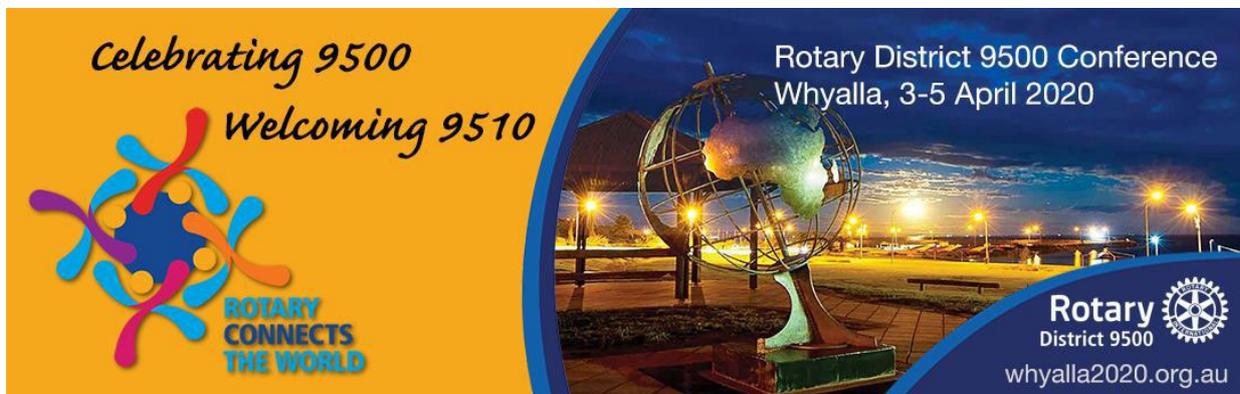

We are inviting all Rotarians to provide us with feedback on three simple questions.

1. What is good in Rotary and Rotaract and should be retained?
2. What needs to change and why?
3. In an ideal world, how would Rotary and Rotaract be structured and operated?

Your responses will be collated and shared with the Working Groups to help them develop their proposed strategies and structure, which will feed into the design of a pilot structure for our region.

Important! This is just the start of the conversation. If you wish to participate in future surveys or focus groups, we will send invitations to the email you provide.

Virtual Conference

This site is well worth a visit and gives access to recorded presentations. The offer from a sponsor, Sevenhill Cellars (we went there with the Canadian & US visitors last year) is pretty good as well. The offer ends on the 1st of June.

The Weekly Wheatley Quiz Number 7

Brian's Brain Teasers (Part 2)

1. How do you make the number seven even, without adding, subtracting, multiplying or dividing it?
2. A man is trapped in a room with only two exits. The first door leads to a tunnel made from magnifying glass. The blazing hot sun instantly fries anything or anyone that enters. Through the second door there is a fire-breathing dragon. How does the man escape?
3. What word looks the same, when turned upside down, but not backwards?
4. There was a wedding. Every single person had food poisoning. Who didn't get food poisoning?
5. What gets left behind whenever it is taken?
6. What breaks the moment that it isn't being held?
7. What is it that, whenever it loses an eye, has only a nose left?
8. What menu item does BAN ANA represent?
9. What can run but never walk?
10. I am first on earth, second in heaven; appear twice in a week, never in a month, but once in a year. What am I?
11. A woman is sitting in a house at night with the lights off. There is no lamp, candle or other illumination yet how is she still able to read?
12. What can be empty and full at the same time?
13. How can you take nine toothpicks and make ten without breaking them?
14. A man parks his car by a hotel and tells the owner that he is bankrupt. Why?
15. I can be blown and changed.
16. I am often spoken, and sometimes read. What am I?

Please send your answers to Brian (only) by Friday 29th May
