Notes from Meeting #2011 – 28th July

This week Angela brought along her special guest and Mark Streich also joined us. President **Vic** updated us on the progress of the **trailer refurbishment** which includes new tray sliders, springs, spare wheel mounting and safety chains. He is proposing a working bee soon to clean it all up before it is repainted. **Les** outlined the new rules for the **Bunnings sausage sizzles**. We need 5 people in attendance but we do not take part in the setup and taking down of the gazebos and barbecue bench. Our servers and the customers (unless in family groups) must maintain 1.5m spacing at all times and Bunnings staff will also be in attendance to assist if any issues arise. He also advised that **Brian** should be clear of quarantine restrictions after Sunday (today). **Ron** gave an update on **NYSF** (National Youth Science Forum) and advised he had interviewed Sophia Jacobs for the January 2021 session and was keen to for the club to support her if possible.

Guest Speaker – Russell Green

Past President **Russell** was the guest speaker this week and he focussed on **Membership and Public Image** in line with this month's theme. He made the point that he has previously been involved with two clubs whose membership declined leading to one of them disbanding. He emphasised the need for service over meeting attendance and for members to feel they are needed and doing useful and meaningful work within their club activities. He emphasised that we should look to other Rotary club activities to see if we can also help beyond our immediate club. His homework for us all is to study the website <https://www.rotary.org/en/engaging-younger-professionals-toolkit>.

It has lots of tips and some screen shots are shown here.

Come Along and Join the Friday Morning 'Walking & Talking' Group

It starts outside the Barton Terrace entrance of the Caledonian Hotel at 7:45am. BUT....

For weekly information please contact JACK KELSO at mkelso@bigpond.com.

Please note the special walk below – THIS WEEK

The website shows this as a **Virtual Walk** but we will celebrate it as our **Actual Walk** on that Friday.

I have set up a team called "Regency Park Rotary" and **please register** using this link

www.walkamile.org.au/fundraiser/regencyparkrotary

This needs to be done if you wish to take part.

We have also agreed to join in this event with the **Rotary Club of Eastwood** with whom we are jointly organising the Big Hat Day Walk in October. It is intended that we meet up with them for the Walk A Mile challenge at **7:15am** for a **7:30am** start. The meeting point is the **grandstand at Victoria Park**.

We will be walking along Hutt Street past the **Hutt Street Centre** before finishing off for breakfast at **Commissary**, located at 160 Fullarton Rd, Rose Park.

Please ensure that you have informed **Les or Russell** if you are attending and also if joining the breakfast.

News from KI

Les, as deputy of the RAWCS Bushfire Recovery Committee, made a visit to KI for 4 days giving him the opportunity to meet people at the other end of many emails. On the last day, a Sunday, the fund financed a Christmas is July at the Parndana Hotel for 66 people, all who had their house burnt down and currently living mostly in Pods (converted containers). Les was dubbed in to be Santa in a borrowed Lions Club Outfit with Lyn Jones (wife of DG David who was also present for the weekend) as his Elfer. This was fitting climax for the visit as the community were able to catch up and share experiences. Les will do a presentation later in the year on KI and Cudlee Creek bushfires. Regency Park has contributed \$2000 towards the fund.

This photo shows what is left of the Stokes Bay Community Hall after the January Fires. It was the local meeting place and was also used for Sunday Church. A new extension was completed in November 2019 and included air conditioning and kitchen. It was destroyed together with the tennis courts and the septic system, shelter and playground. The Tennis courts are being replaced this week. The estimate for the rebuild of the hall is \$700K. The Rotary Bushfire Relief Committee has reserved \$50K for furnishing.
