Raffle	Dale Davey-Starr	Dale Davey-Starr	Dale Davey-Starr	Dale Davey-Starr

*Birthday this week – Annette Eiffe 10<sup>th</sup> August*

## Notes from Meeting #2012 – 4<sup>th</sup> August

The meeting start was delayed by phone call **apologies** from Jack P and Ron in Arkaroola.

**Jack K** also an apology due to eye surgery.

Area Governor, **Jeff Cluse**, visited and gave a helpful overview of Prospect RC's experience at **Bunnings** last Saturday where they made a profit of approximately \$1000 (Prospect are lending us their EFTPOS machine for this Saturday). **Corolla Capers** continue to request donations for the 'Saddlebag'.

On Community Service, Angela reported on a contact that she has with an **indigenous community in WA** who are grateful for the donation of some of the '**glasses**' that had been donated to Ken. Further discussion followed about how to pursue this opportunity with other indigenous communities.

Brian reported he has done the required on-line module to enable the club to apply for a **District Grant**. The closing date is April 2021. The minimum DG is \$1000 and we need to put together a project possibly requesting support for St. Bede's and Rose Darling's breakfast club and would require \$2000 spent on items from the club with \$1000 then reimbursed from the grant.

Ashleigh reminded us that he is collecting the **bread bag tags** to give to the recycling project by Adelaide Uni. Rotaract. Hard plastic bottle tops are no longer needed as they are oversupplied. Vic confirmed that the work on our **BBQ trailer** is well underway and Brian will find out from DGE Jeff Neale, who owns Paradise Motors Mazda, where they get the 'Rotary' detailing done on the DG car.

A short discussion was held regarding the **Improvement Worksheet**. Russell is still exploring **membership** options to present to the club and **Ernie** recommends a 'hands on' community project to which people would be invited to assist and would be followed by a free BBQ. We should also promote our corporate **catering** capability similar to those done for 'Spotless'. Ken had initially thought that the **Swap Meet** should be cancelled but as major events like 'Gawler' have now been cancelled there now remains an opportunity to hold a profitable event for those keen to attend.

**Storage** for our trailer and other club assets continues to be a major concern.

## Bushfire Relief

**Les** gave a brief slide show of the recent visit regarding support being provided through Rotary on **KI**. He will be covering this further in Meeting #2014.

## Dates for Our Calendars

26 <sup>th</sup> September to 3 <sup>rd</sup> October	Corolla Capers
11 <sup>th</sup> October (Sunday)	Big Hat Day Walk
10 <sup>th</sup> November (Tuesday)	DG David Jones visit to the club

### Come Along and Join the Friday Morning 'Walking & Talking' Group

It starts outside the Barton Terrace entrance of the Caledonian Hotel at 7:45am. BUT....

*For weekly information please contact JACK KELSO at [mkelso@bigpond.com](mailto:mkelso@bigpond.com).*

Last week was the virtual 'walk a mile' challenge for Hutt Street. Several of us went along and joined up with a group from Eastwood Rotary Club. We managed to raise \$419 on our team.

# REGENCY PARK ROTARY

Walk a Mile Challenge

PLEASE HELP US  
REACH OUR GOAL

<p style="font-size: small;">Raised</p> <p style="font-size: large; font-weight: bold;">\$419</p>	<p style="font-size: small;">Our Goal</p> <p style="font-size: large; font-weight: bold;">\$600</p>

## News from Corolla Capers

Ron and Jack P went up north for 3 days last Monday to check out some details for this year's Corolla Capers. Everything is pretty much as stated at the briefing session but we are likely to miss Witchelina but have a day messing about at Wilpoorinna before Gordon Litchfield leads us the next day to Murnpeowie. We will now be staying at Mount Freeling Station on Tuesday the 29<sup>th</sup> of September. Here are some photos of the visit.

Bunyerroo Valley

Ron admiring aboriginal engravings at Chambers Gorge

Gordon displaying his Dingo control methodology
