## Notes from Meeting 2040 – 16<sup>th</sup> of March

This week we had apologies from **Ernie** and **John G**, and we were pleased to be joined by **AG Jeff Cluse**.

**Vic** reported that our BBQ trailer will start being re-painted next week.

**Angela** advised that she is working with **Jeff Cluse** on the 27<sup>th</sup> of March at 10 am for a couple of hours, to oversee the filling of Bags for distribution of **Domestic Violence and Homeless Youth Kits**.

This will be held in the Prospect Town Hall and Jeff is organising to get members of the public to do the loading of the bags.

**Les** gave a brief overview of the **Ridley Grove Community Garden** stating that it is thriving at present, and they are grateful for the ongoing support that our club provides to them. He also gave an update on the continuing **bushfire relief** efforts and noted that there is effort currently to provide more support to those affected in the Cudlee Creek area. Some support has also been given to people affected by the recent Cherry Gardens bushfire.

The meeting concluded soon after **Jack K** showed us his recent gift of the Port Adelaide Football Club **150 Years** Archives Collection. It is impressive.

This week's meeting was followed by the **Board Meeting**, and many issues were discussed. A notable item was the agreement to give \$5000 to the Green Pastures Hospital in **Nepal** to support their **Leprosy** Project which Brian presented to the club on the 2<sup>nd</sup> of March at Meeting #2038.

## Cows for Cambodia Update

Ken has just sent in an update on the breeding record of our Cows for Cambodia. It is very impressive to note that our seventeen cows have now produced twenty calves and four are currently pregnant. Only one cow has not had any success so far. Both cows, shown below, have had two calves.

### Today's Bunnings Sausage Sizzle

Today was quite busy and we raised an important amount of money towards our wide range of projects. An unusual feature was that we volunteered to mind a customer's greyhound to enable them to do their shopping in Bunnings. Here is a photo of "Ike", their greyhound. To add an ageist observation, his very pleasant 30ish-year-old owners had never heard of Ike & Tina Turner, which I found rather depressing (for a reason I do not fully understand).

## The Four-Way Test

of the things we think, say or do

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?
