Notes from Meeting #2060 – 10th of August

This week was a return to face-to-face meetings at the Caledonian which was a big improvement.

We had **apologies** from Angela, Ernie, Jack K, John O and Brian.

Les confirmed the rosters for the upcoming **Bunnings** on the 15th of August and for the **Carousel** on the 14th & 15th of August. He subsequently has advised that the **Oliphant Science Awards**, scheduled for the 22nd of August, have been **cancelled**.

It was noted that Meeting #2063 is about **untangling the web** and all members at the meeting selected topics they would like to be addressed.

Russell reported that he had a QR code from SA Health for the **Lift the Lid Walk** in October. He has also composed and printed a list of our activities that fits nicely within our brochure.

Jack P reported that the **Corolla Capers trailer** had been repaired (under warranty) and load tested to ensure the behaviour of the springs was satisfactory under both no load and full load.

The trailer can be **made available** to club events or for any other agreed purpose.

Jeff reported that the **Polio Ute** will be available on Rundle Mall on the 22nd & 23rd of October and it will be manned by the various Rotary clubs within District 9510 and is to be used to advertise our activities and hopefully attract some new members.

Board Meeting

This week was a Board Meeting and various items were agreed as follows:

Ken, Les, Brian and Jack P will be the four **signatories** on all our bank accounts.

We are to acquire a **Tyro EFTPOS** machine.

Club shirts are to be purchased and will be made available with a \$20 discount per member.

We are pursuing a District Grant to support a water purification system for the **Green Pastures Hospital** in Nepal.

Ron tabled a summary of **CC2021** and was thanked by all (see photos below). \$14,000 of the funds raised will go to **End Trachoma, Dementia Australia & Keith Hospital**.

We agreed that we should have an **Environment Director** and are seeking volunteers.
