## Notes from Meeting #2062 – 24<sup>th</sup> of August

We had **apologies** from Ken, John O and Brian. **Dale** started proceedings by telling us more **club history** and noted that there were 240 people at the Club's Inauguration Dinner in 1980.

**Russell** showed us the new shirt seen here being modelled by Angela. Please note that all members get their first shirt at a discount of \$20 and please advise Russell of your size.

**Jeff** reminded us of the **Polio Ute in Rundle Mall, Area 12 Project** where the Polio Ute will be displayed from 8am to 5pm on Friday 22nd and from 8am to 4pm on Saturday 23rd October. All 10 clubs in Area 12 are encouraged to assist by providing support people on each day and to provide some of the equipment. A roster is attached.

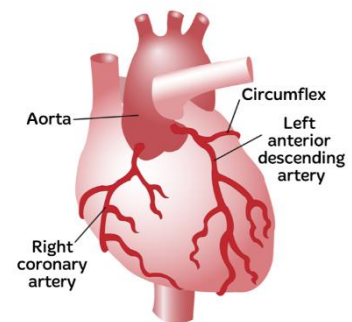

**Les** raised the **City of Prospect Fair** being held on the 30<sup>th</sup> of October and it was agreed we would set up a stall.

### Guest speaker – Angela on Angina

Angela treated us to an overview of Angina which can occur when your heart doesn't get enough blood and oxygen. Its affects vary between individuals but can be a symptom of coronary heart disease and it is important that you visit your doctor and get appropriate treatment.

If angina symptoms continue for more than 10 minutes, are severe or get worse, call Triple Zero (000).

A common treatment is GTN Spray and Angela explained its use.

### End Trachoma Kits made up at Kidman Park Primary School

On Thursday, Angela, Les and I went to the Kidman Park Primary School to meet with teacher, Peter Georgeopoulos, and his class to setup for the packing of 59 hygiene kits for the children under 11 at the Canteen Creek School which is about 500km northeast of Alice Springs. Here is a photo showing Peter with his class and the 59 kits. They did a wonderful job of packing the 15 items into each kit.

The kits, along with 13 more for older children, are on there way to the NT.
