## Notes from Meeting #2066 – 21<sup>st</sup> of September

We had **apologies** from Ken, Jack K, John O and Brian.

**Dale** told us more of the early **club history** reading from the minutes of the Board Meeting held on the 24<sup>th</sup> of February 1981 which discussed exchange students and a car rally. In addition, absent members were charged for postage to send out their newsletters and Meals on Wheels was being supported on a fortnightly basis.

**Jack P** reported on the progress for the towels and sheets from DIK for Tennant Creek and Alice Springs and another working session at DIK on Saturday morning. **Les** sent around the roster sheet for **Bunnings** on the 3<sup>rd</sup> & 10<sup>th</sup> of October and the 7<sup>th</sup> of November. He also advised that we would be doing a **BBQ at Prospect Kindergarten** on Tuesday the 2<sup>nd</sup> of November. That is **Melbourne Cup Day**, and we will be celebrating with a **breakfast meeting** (as we usually do).

**Russell** reported that he is ready to order 18 **club shirts**. **Ron** advised that we had found a candidate for the next **RYLA** to be held in April 2022 and that our candidate, Jasmin, was starting the **One & All Sailing Challenge** today (see photo below, Jasmin is next to Ron).

### This week's meeting was a Club Forum

The two main issues that were discussed were **Environment** and **Membership**.

**Jeff** outlined 5 projects for **environmental** work including tree planting, tree maintenance and bird box maintenance for the **Port Adelaide Enfield Council**, repair work at **Calperum** and working bees at the **Ridley Grove Community Garden**. It is important we publicise these efforts to attract new members.

**Russell** discussed some of the issues with **membership** and our planned event at **Plant 4** on Saturday, the 30<sup>th</sup> of October. Angela reinforced the International President's message that we should all be considering who we each can bring into the club. A promising area is recent retirees who are looking for new roles and we need to explore that avenue.

Here are photos of the **bee hotel** that **Russell** made at the Men's Shed for the **Ridley Grove Community Garden** complete with resident bee.
