## Notes from Meeting #2074 – 16<sup>th</sup> of November

This week we visited Ridley Grove Community Garden and held our meeting in their eating area. The garden is looking very healthy and features an impressive array of succulents. For example, the two plants shown below which shoot up these massive tendrils of seeds, only do this once in their lifetime. Three of them did this amazing feat this year, which now is their last. The photo also shows our group perambulating through the garden and Russell's bee hotel on the left.

After dinner we were treated to an interesting presentation on how the Centre provides food and other items to anyone who comes in and asks for assistance. It was heartening to learn that they have plenty of food supplies, mainly supplied by OzHarvest and also FoodBank. Angela presented a \$100 Bunnings voucher in appreciation.

## Delivery of Socks and other items to the Foundry

Mark, shown here, is very pleased to report that he passed on 144 pairs of socks collected by our club at the Plant 4 Sox Appeal Day. Along with these, he also donated several cushions from our President, Angela and other donations that he had managed to receive after having approached the Salvos, the St Vincent de Paul Society from whom he procured an acoustic guitar at a much reduced price and Save the Animals, who donated some stationary items.

## Our annual SWAP MEET was held this morning

This year was again a success with significant funds being made from the gate, our breakfast BBQ and for the first time, our Trash & Treasure stall. Good job by all.

## The Four-Way Test

of the things we think, say or do

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?
