Birthdays this week –

Rhonda Pamment, Ernie Nagy, Michael Semmler & Les Dennis

Notes from Meeting #2081 – 25th of January

This week was by ZOOM. We had apologies from **Rhonda, John O, John G** and **Vic** but were very pleased to be joined by **Ernie, Mark Carter, Maria Abraham & Johannes Schreiber**. Here is a clip.

Les went through the roster for the forthcoming Carousel & Bunnings. **Ron**, mainly for Maria's and Johannes's benefit, outlined Rotary's Youth Service programs.

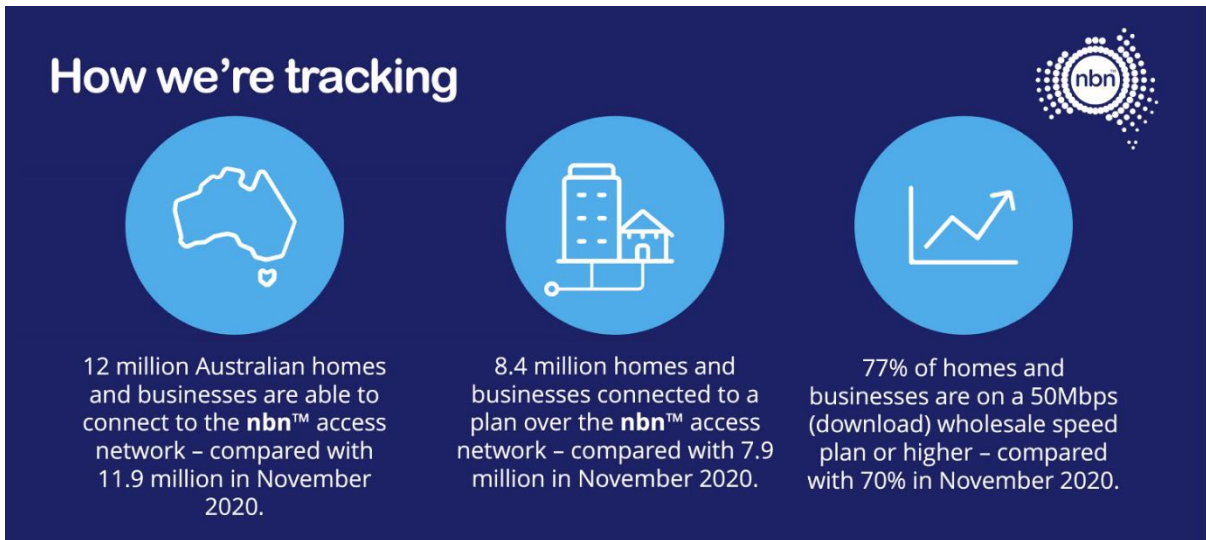

In Ron's absence, Jack P gave an update on **CC 2022** which is titled '**Back to Birdsville**' and will run from the **16th** to the **24th** of **July**. Ron asks that all members give thought to which charities Corolla Capers should support this year.

Johannes gave an overview of the **Foundry's** activities in these recent Covid times. He explained that they are looking after less people but the individual needs are increasing. At present they have a need for non-perishable food and are always looking for more underwear. On that note, Mark recently reported that he had passed on underwear that he has been collecting on behalf of the our club. Donations were made by Coles at Welland and other charitable organisations and various club members. Here is a photo.

Guest Speaker – Rohan Watts NBN

Rohan, our guest speaker this week, is an NBN community ambassador and gave us an overview of how the NBN operates and how it is being continuously improved.

He explained how, with the advent of smart TV's and other internet connected devices, that the average household data consumption has just passed 355GB per month. To give a feel for scale that is enough data to watch David Attenborough's Plant Earth in HD quality, for 8 times.

Congratulations to Les

On Australia Day we learnt the great news that Les has been awarded an OAM. Well done that man.
