Notes from Meeting #2090 – 29th of March

This week we had apologies from **Ernie, Jack K, Rhonda & John O** and we were pleased to be joined by our **Rosemary Green** and **Heather Wheatley**.

Being a **Vocational Visit**, we went to the **Botanic Gardens** and were met and taken on an hour-long tour by our very capable Guide, **Lyn**. It was beautiful evening and we saw an abundance of bird life amongst the very resplendent and varied plants. Here is our group outside of the Bicentennial Conservatory (Lyn is to the left of Dale).

District 9510 Conference, Tanunda

This weekend several of us went to the Conference. It was a fine event with many very interesting speakers. **Lisa Dallow's** talk about the volcanic eruption in NZ was particularly memorable.

Brian & Heather composed and ran the **Quiz Night** on Friday and it was full of fun.

Jack P presented our 5 minute **Soapbox** featuring End Trachoma on Sunday.
