Notes from Meeting #2097 – 17th of May

This week we had apologies from **Ron, Ernie, Mark C, Jack K & John O** and **Jeff & Russell** joined us briefly by video from **Calperum** where they were involved in tree planting. See photos below.

Angela gave us an update on how she is getting on with updating our club's Goals in **My Rotary** and also preparing the information for a club **Citation**.

Jack P gave a brief update on the applications for this year's **Corolla Capers – Back to Birdsville 2022**.

We have reached the limit of 40 adults and are pleased to advise that 12 Corollas and 9 4WDs are coming along.

Les advised that we need to be at **Spotless** by 8am on Thursday the 26th of May and will circulate a list of those attending.

Guest Speaker - Paul Tait – Palliative Care

Paul is a Palliative Care Pharmacist and works for SA Government Rural Support Service. He gave an interesting presentation on the purpose of Palliative Care which is primarily focussed on the relief of suffering that is timely and applicable to all patients regardless of the diagnosis, prognosis, geographic location, point of care and income level. An imperative is to set up the care early enough and to target assistance with living rather than just assisting with death. Paul considers that SA is doing reasonably well in the regions with many nursing practitioners assisting and working with the regional hospitals.
