Notes from Meeting #2118 – 18th of October

This week we had apologies from **Jack K, John O, Jack P, Ron, Rhonda, Ernie, Paul & Dale** and were very pleased to be joined by **Lillian** again.

Russell advised that we had another very successful day at **Bunnings** on the 13th with a profit of just over \$1,000. He also reported a note of thanks had been received from Shelter Box for the donation towards **Pakistan Flood Relief** that was reported in last week's Bulletin.

Les reminded us of the busy weeks ahead with important community service and fundraising activities.

Jeff also gave an update on a 'working bee' planned at **Calperum** in early December, depending on River Murray levels.

Guest Speaker – Lenard Sciancalepore

Lenard began by giving an update on the way **Rotaract** was gathering renewed momentum in South Australia and globally. Young people are attracted by its focus on Cause' projects. Locally this has in part grown from the Adelaide University Rotaract Club becoming an important place of connection for International Students. In 2017 they held an inaugural Cultural Event and reminded us that our club had been an important financial supporter of that event. The event has evolved into an annual event such that the last one attracted 500 people. Funds raised are used to support projects that are chosen after a rigorous selection process. The next event will be on the 23rd of September 2023. With many of the Rotaractors graduating from their various courses, the need for a new 'off campus' club has led to the formation of **Rotaract Club of Adelaide Peace** which already has 35 foundation members and is proving very attractive to a wide range of young people from diverse cultures.

Lenard followed with his topic **A Reflection on Language and Culture**. Being South Australian born but of Southern Italian parentage, he grew up in a bilingual family and through his life has recognised the importance of being able to communicate with people in their own language. Even if simply a short phrase of welcome, demonstrating that you see them as a fellow human being that you wish to communicate with, has huge benefits for the community. Lenard commented that Nelson Mandela had said that ***"If you talk to a man in a language he understands, that goes to his head. If you talk to him in his own language, that goes to his heart."***

Early in his life, Lenard was exposed to an international perspective, and to the role of Rotary International, and has graduated from the University of Adelaide with a Bachelor of Languages and a Bachelor of International Development. He likens learning a phrase in another language to learning the lyrics of a song. His post graduate life, so far, has involved working with people of different cultures interacting with government services such as the NDIS. He is president of the 'Rotaract Club of Adelaide Peace' and a board member of the Multicultural Communities Council of South Australia. Lenard demonstrated his grasp of multiple languages and his passion, energy, and capacity for being a positive 'global citizen' was very clear.

Lenard being thanked by Les and Angela

Another opportunity to support **Australian Rotary Health's** support of research into Mental Health care.

District 9510 ARH Committee has again organised a **Spring Wine Offer**.

The extensive list gives you and your friends access to quality branded wines that, most likely, you already purchase from an outlet, but with this offer, the prices are heavily reduced.

ARH will receive \$36 per dozen for labelled wines and \$24 per dozen for cleanskins.

Contact either President Angela, Secretary Jack or Treasurer Russell if you want more details and receive an order form.
