Notes from Meeting #2134 – 28th of February

This week we had apologies from **Rhonda, Jack K, Ernie & John O.**

Russell and Jeff reported in from **Calperum** where they and other Rotarians were installing the new floating floors. Here is a glimpse of their work.

Les discussed the roster for Bunnings. **Vic** advised that he has come by a large number of soccer balls and **Angela** will look at ways we can get them up to Tennant Creek if the schools up there are keen to have them. **Steve** advised that he has a half container (20') available that we are welcome to if we can move and store it somewhere.

This week's meeting was a **Club Forum** and several topics were discussed as follows.

Peace Poles – the request from **Heidi Unferdorben**, Chair of the Centenary Committee of the Rotary Club of Adelaide, for a Peace Pole to be installed at the Challa Gardens Primary School was discussed and the club agreed to support this initiative.

Website – **Brian** showed us some of the improvements he has made to our site including an updated front page and extensive additions to the Corolla Capers section where this year's event is shown together with summaries and photos from recent year's events.

Coles Welland – **Mark S** talked about the successful membership and food collection event the club held the previous Saturday at Plant 4. It is particularly good that Coles Welland have agreed to continue with their **food collection** effort indefinitely.

Membership – **Ron** shared with us the results of the brief survey conducted at the club meeting a few weeks ago. Effort is suggested in understanding **Community Skills** and improving our **Community Engagement**.

Friends – **Brian** advised that the rules around Club Friends need to be updated. There is also a suggestion that they be renamed **Club Volunteers**. He will consult with members and prepare a new set of protocols for consideration by the Club.
