Birthday this week – Paul Crockett

Notes from Meeting #2138 – 29th of March

This week was a special, being an **Area 12 Meeting** at the Cathedral Hotel. It was well attended, and our club had a healthy contingent. Our own new Rotarian, **Steve Brown**, was formally inducted into Rotary and our President **Angela** was announced as the next Area 12 Area Governor. The Dinner Speaker, Paul Curnow, gave an informative and engaging presentation about indigenous Night Skies. To top the night was **Vic** winning, and then donating, one of the raffle prizes - a portable fire pit - to CC2023. Here are a couple of rather ethereal photos, Steve's induction and another of our team.

Youth Options - Grill for Good – 30th March

A couple of us went to this early evening occasion at Youth Options headquarters in Sturt St. In addition to providing a significant meal they took us on a tour of their comprehensive training facilities which, in addition to the usual subjects included music, information technology, cooking and coffee making, wood working, metalwork and automotive skills as shown in these photos.

The evening concluded with a presentation from a young man who has just passed his Year 12 exams. This was very impressive given he had been expelled on numerous occasions, but, after spending about a year at Youth Options, he returned to his original school for the last 2 years of his studies.

RORP - Rotary Overseas Relocated Playgrounds Project

Here is a photo of 5 playgrounds that were laid out last Wednesday at DIK to be ready to go into a 40' container headed for Mongolia. It was done by members of Mount Barker Rotary Club, Murray Bridge Rotary Club and some of us. A good job by all.
