Notes from Meeting #2155 – 1st of August.

This week our club meeting with President Vic Isbester in charge.

New process – Guess Speaker first then the meal to be served at 7.00pm followed by club business.

Corolla Capers – best dressed. L to R, Rod Bish (Prospect), Lucas & Sara (guest Car 7) & Ingrid (Prospect)

Guest Speaker Spot.

No official guest speaker as it is a “Corolla Capers return” night.
Brian Wheatley provided a power point of some photos of the trip.

Club Business

Les Dennis – Club Admin Chair.

Bunnings Prospect has offered us a BBQ on Father's Day.
Enough support is confirmed for us to accept.

Jack Kelso – Community Service Chair.

Jack advised that Mark Streich attended a bread run. Mark attended the West Lakes Bakers Delight and assisted with picking up the excess bread and delivering it to St Bede's.

Russell Green – Environmental Chair

Russell suggests that future Corolla Capers be “Carbon neutral”.
To achieve this, we need to plant 56 trees this year.

Jeff Cluse – Calperum coordinator

Jeff advised that he is putting a team together to install floating floors in Bushview House. Depart for Calperum Wednesday 23rd August and expect to return Monday 28th. If you are interested and available, please contact Jeff.

RC Walkerville request – PP Chris Richer

Email sent to Secretary Jack from PP Chris.

As you are probably aware each October, we run the Walkerville Art Show as a community event, a market for artists and a fund raiser.

Over the last couple of years our membership has reduced significantly which means we have some difficulty filling all the roles required to run an opening night and 6 days of exhibition.

This is without taking into account the physical work associated with bump in and bump out and the surrounding activities of artwork receiving, hanging and final distribution.

So, I'm hoping you will ask your members if any of them are interested in helping out this year. A copy of our roster sheet showing the roles required is available from Jack P or Jeff and when they are needed.

Also, for bump in and out we need to borrow (for about 2-3 hours each time) a vehicle with at least 2.5T towing capacity to tow the main display frame trailer.

Would you please direct any response to Anne Creighton-Arnold <anskey1@gmail.com> who will be looking after this for me.

The Four-Way Test

of the things we think, say or do

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

JOKE OF THE WEEK.

A Doctor was addressing a large audience in Tampa ...

“The material we put into our stomachs is enough to have killed most of us sitting here, years ago.

Red meat is awful. Soft drinks corrode your stomach lining. Chinese food is loaded with MSG.

High fat diets can be disastrous, and none of us realizes the long-term harm caused by the germs in our drinking water. However, there is one thing that’s the most dangerous of all and we all have eaten or will eat it.

Can anyone here tell me what food it is that causes the most grief and suffering for years after eating it?”

After several seconds of quiet, a 75-year-old man in the front row raised his hand, and softly said, “Wedding Cake.”

A vibrant purple and pink poster for the "MOSAIC ADELAIDE 2023" festival. The title "MOSAIC ADELAIDE 2023" is prominently displayed at the top. Below the title are several circular images showing various cultural performances, including dancers in traditional costumes and acrobats. A central banner reads "FOOD. FUN. FAMILY. CULTURE. PERFORMANCES. PRIZES." At the bottom, it specifies the event is on "SATURDAY, 30TH SEPTEMBER" at the "DOM POLSKI CENTRE, 230 ANGAS STREET, ADELAIDE, SA 5000". It also mentions it is in recognition of the UN International Day of Peace and lists sponsors like MCCSA and Rotaract Adelaide University. Ticket prices are listed as: Adult: \$50, Child (5-14yrs): \$25, Free for children under 5.

A row of logos for the event's sponsors. Gold Sponsors include Sculpt healthcare, Rotary Henley Beach, and Rotary Club of Unley. Silver Sponsors include Paradise Mazda, Adelaide Fringe, and Rotary Adelaide. Other supported organizations include Auctus, Uti, and others.

ODE TO COROLLA CAPERS 2023

(IN THE STYLE OF A.B. (Banjo)PATERSON) CBE 1864-1941)

Provided By Brian Wheatley

There was movement 'neath the bonnet
As the carbie filled with fuel,
Anticipation mounted
Horsepower, or a mule?

With oil pressure mounting,
And tyre pressures low,
With sandhills high a'looming
The driver's face aglow.

The engine revs are rising,
Anticipation in the air,
Will the might of the Corolla
Make all spectators stare?

Cameras at the ready
And then the clutch is let
Exhaust noise is just deafening
Like a mighty Qantas jet!

That mighty little engine
Really starts to roar,
Then gathering momentum
The front end starts to soar.

Could this sandhill be a mountain
Just a little bit too high?
As the tyres begin to bury
Onlookers start to cry,

Come on you little beautie,
You know it can be done.
With one last final shudder
The summit has been won.

As the sunset shadows lengthen
And the fire comes to life,
Legends get a mention
And the odd tale of some strife,

The tales with time get taller
Of 'Capers' over time
But nothing makes them smaller
Our memories give them life.
