### **Guest Speaker Spot.**

Tonight's guest speaker was Sophia Katari who is the manager from Junction Community Centre. She is the current chair of WCAFDA who this club has supported when we carried out some rectification works in the Western Suburbs.

Sophia has been nominated for numerous awards for her services to the community.

The Junction Community Centre has been nominated for numerous awards.

Sophia explained the concept of the "Hair Cut Day" at the Junction Centre on 15<sup>th</sup> October 2023 where numerous hairdressers provide free haircuts for those in need. The club will be providing BBQ on the day.

The Junction Community Centre supports many less fortunate families in the area with clothing and food parcels and other items.

With the cost of living increasing there is a rise in domestic violence which Rotary is working hard to eliminate.

The Centre supports a range of groups in range of subjects, recently they held a forum to explain the "Yes" campaign but not focus on one side or the other.

## The Four-Way Test

of the things we think, say or do

Rotary

Is it the **truth**?

Is it **fair** to all concerned?

Will it build **goodwill** and **better friendships**?

Will it be **beneficial** to all concerned?
