I will approach local businesses re donations to be used as a door prize

On this night and after an invocation to The Young Future Rotarians of the world, I will explain meal and drink arrangements and hand over to President Vic for a welcome and any urgent Rotary business. I will introduce our guests and will outline the nights programme. I will ask them to tell us about the activities that our club has sponsored them to attend over the last few years.

They have all been involved in activities provided by Ryla, RYPEN, the One and All or NYSF. I ask for our guests to share their expectations, experiences, what they are doing now and plans for the future. I will invite people that have provided or facilitated these activities to say a few words about their roll in these programs. I have spoken to the restaurant and they are able to provide set and individualised meals from \$15-\$30 but need to know numbers to be able to prepare [see link below] The club is prepared to subsidize our young guest's meals to \$20/ head

Once our meals are over some questions for our guests may be asked.

I want this to be an enjoyable experience and as easy and flexible as appropriate (the plan may need Suttle modifications depending on circumstances and the delivery of meals).

Jeff Cluse – District Chair for Partnerships.

Belinda from Western Domestic Violence organisation where we carried out repairs to the buildings and garden is asking if the club could donation a "Peace Pole" for the complex.

This is approximately \$220. It will show we are interested in continuing to support the organisation. They are seeking numerous Peace Poles for other complexes they have but only want us to support the complex we did. As we still have funds left from the previous year's Corola Capers, I am asking the board to approve it.

Steve Brown – Environment.

Steve is considering club member to travel with him to Samoa to meet with the Rotary Club of Samoa and be involved in some local projects-

JOKE OF THE WEEK.

One thing no one ever talks about when it comes to being an adult, is how much time we debate keeping a cardboard box because it's, you know..... a really good box.
