Birthdays - December

Steve Brown 12th December, Bev Isbester 22nd December,

Notes from Meeting #2175 – 17th of December.

This week our club meeting with President Vic Isbester in charge.

Guest Speaker.

Rev. Dr. Mike Semmler

Subject – Rotary Club of Regency Park – Christmas Show.

Rev. Dr. Mike Semmler was our very special guest speaker to bring us this year's Christmas message.

The 30 odd years Mike has been in Rotary have been very special.

Some people count the shopping days till Christmas, some count the days till Christmas day.

Mike has bought his wife a very special Christmas gift this year – she likes doing crosswords – this year he has bought her a crossword book with all the crosswords done.

An honest Politician, a kindly Lawer and Santa Clause were having their regular little chat when a \$50 was seen on the ground – Santa Clause picks it up because the others did not exist.

Club Business

Angela Ellis – IPP AG.

The club has agreed to support Adelaide Central with the West Torrens Festival, as we did last year by providing our BBQ Trailer on Saturday 6th, 13th & 20th from approximately 5.00pm. The council provides an open-air movie in the park on Brooker Tce, Richmond. Adelaide Central will provide all the food and drinks. We have to provide the BBQ Trailer and a couple of helpers. Contact Angela if you are available.

Ron Rogers – Chair Membership.

Invite friend and family to a club meeting.

Club Promotion Plant 4 Bowden – will now be in February 2024.

The Four-Way Test

of the things we think, say or do.

Is it the **truth**?
Is it **fair** to all concerned?
Will it build **goodwill** and **better friendships**?
Will it be **beneficial** to all concerned?

JOKE OF THE WEEK.

I've just finished reading a book about the world's greatest basement.....It was a best cellar:
It's my first week working at the bicycle factory and they already made me a spokesperson.
My laptop caught pneumonia, apparently because I left Windows open.

I thought swimming with Dolphins was expensive until I went swimming with sharks....It cost me an arm and a leg.

The main function of your little toe is to make sure all the furniture in the house is in the right place.

Horses have lower divorce rates. It's because they are in stable relationships.

It's pretty obvious that if I run in front of a car, I will get tired but if I run behind a car will I get exhausted.

My teachers told me I'd never amount to much because I procrastinate so much. I told them you just wait.

90% of bald people still own a comb; they just can't part with it.

Every morning I get hit by the same bicycle.....It's a vicious cycle.

The word incorrectly is spelled incorrectly in every dictionary.

I've been experimenting with breeding racing deer. People have accused me of just trying to make a fast buck.

What do you call a row of rabbits hopping backwards? A receding hare lines.

When I was a kid, we played spin the bottle with the girls, if they didn't want to kiss you, they would have to give you a dollar. By the time I was 12, I owned my own home.

Always trust a nudist.....They have nothing to hide.
