A good night was had by all.

Some good discussions – quite a few positives, some negatives.

Jack Pappin to take the leader on the Berry sculpture to get this done dusted – expected cost up to \$1,000.

Reduce workload on Les – Response, Les will monitor and has been pleased with help so far as required, Jeff, Vic, Mark C, and Brian and some others with up-lifts. Note when Les asked if Bunnings SS were to happen on 8 February when Les was in hospital and if there were volunteers to collect gear there was no offers. **Reply, As Christmas New Year has just completed, your slaves were still on leave, but they will be there to assist, Editor suggest you ask again.**

This year is the 50th running of the City to Bay has been held, and they are expecting significant numbers of runners/walkers. I have been having discussions in relation to ways we might be able to partner with the City to Bay.

As a part of the discussions, it has become apparent that there are a couple of roles which our clubs could take on:

Distributing water cups to runners/walkers. Water and cups are supplied. This would also involve the collection of cups left on the road. I am looking for five clubs (or club partnerships) to do this along Anzac Highway. I expect it would require approx. 10-12 Rotarians/partners/family/alumni. from 6am-12pm on the day. This would be a great way of engaging with the family of Rotary.

Distributing water cups at the end of the run (this year this was next to Colley Reserve). I expect this would require 15-20 volunteers.

BBQ on Colley Reserve (I am initially sequestering this to RCs Glenelg, Holdfast Bay, and Somerton Park, however, would be keen to hear from clubs which would like to participate).

As a part of this arrangement, we will be able to display our correctly branded gazebos on the way down Anzac Highway, and we will be acknowledged as the City to Bay's Service Partner. It would be great to have a trail of Rotary clubs all the way down Anzac Highway providing service.

I am also negotiating a small contribution from the City to Bay to clubs to acknowledge your time (this might be in the vicinity of \$30-35pp).

I am happy to arrange a meeting over Zoom to discuss if helpful to answer any questions (the earliest this would be is late February), or if you could come back to me and advise whether your club would be interested in this opportunity on your own or partnering with another club. This is a great opportunity to promote Rotary to up to 50,000 members of the public.
