Junction Community Centre

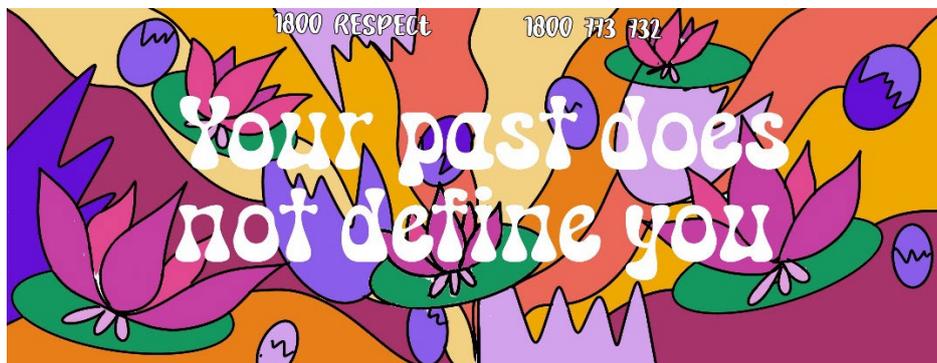

This current mural will be replaced by a new one.

The club set aside funds from the 2023 Corolla Capers for several Domestic Violence projects. One was to fund a mural on the feature wall of the Junction Community Centre. This would be led by an artist who will provide a design and the women will paint it. The artist would then professionally complete the work. The club provided \$2100 for the project. The JCC Manager Sophia has invited Rotarians to drop by and observe the work – 2a May Tce, Ottoway.

From Sophia

This Sunday Feb 25th in the late afternoon/early evening, the mural artist Gen and her partner Tommy will be here painting the wall white, then using a projector to draw the outline of her design ready for Monday's workshop. Feel free to pop by then too if you want photos of those two stages.

Proposed art work.

Is it the **truth**?

Will it build **goodwill** and **better friendships**?
Will it be **beneficial** to all concerned?

JOKE OF THE WEEK.

The secret of a good sermon is to have a good beginning and a good ending;
and to have the two as close together as possible.
