Notes from Meeting #2196 – 28th of May.

This week our club meeting with President Vic Isbester in charge.

Quote from Paul Harris and his book Honouring Our Past – Words and Wisdom.

The sailing of a boat in fair weather is not the best test of seamanship; the maintenance of good cheer when everything is coming one's way is not the best test of disposition; the pursuit of an enemy who is on the run is not the best test of courage.

The Rotarian, February 1932

Subject – General Meeting night.

Welcome past Corola Capers attendee David Green to the meeting.

The Bunnings BBQ last Sunday turned over approximately \$1400 less cost, so another great fundraiser.

President Vic thanked all who participated.

Les advised the next Bunnings on the 8th June, we will have some members of the Thebarton Senior College Rotaractors assisting us.

Les confirm that we have sufficient club members available to attend the Kilburn Community Centre – Volunteer Expo on Thursday 13th June where we will be providing a BBQ and a club membership promotion stand inside.

Brian Wheatley advises the that we expect the funds for the Solar Panels project in Napal to be received shortly now the acquittal has been completed and forward to the required people. All items have been labelled – “This item has been provided by the Rotary Club of Regency Park – South Australia”.

When doing a project overseas – suggesting going through RAWCS to be covered by insurance.

Calperum – Flooring – Dan's House

On Wednesday 29th May 2024 – Mark Carter and Jeff Cluse travelled to Calperum to work with DG Craig in laying a floating floor to the last room in Dan's House. A days effort well received and appreciated.
