## Notes from Meeting #2201.

Last week we had the pleasure of hearing from Danny Lloyd with his insightful talk, “The opposite of addiction isn’t sobriety, its connection”. Danny is an *Inside Out Coaching- Men’s Mental Health Advocate* and his personal story of recovering from addiction and helping others do the same resonated deeply with the group.

One subject that is passionate to him is the unsolved murder of British backpacker, Sarah Groves, who was savagely murdered in Kashmir, India, in April 2013. Despite there being only one suspect, no-one has been charged with her death.
