Corolla Caper “Space” Heads Off

Several of us were at the start of Corolla Capers last Saturday to flag off the participants. It was a windy morning and participants were keen to get rolling to head for what could be a warmer North. We wish them a safe and fun filled journey with a range of challengers. We thank each one for their generosity raising funds for three worthy courses.

The club thanks Bakers Delight @ Findon for their ongoing support with our fundraising BBQ's.

CLUB PROPERTY STORAGE

Still looking for space to store our Fundraising trailer and some other equipment. Anyone have space in a shed that would suit? Contact Les Dennis.

A new name for Zone 8

We've officially adopted the name **Rotary Pacific** to refer to our region of Rotary, replacing the term Zone 8.

We've received feedback that the Zone terminology is confusing, particularly to people outside of Rotary.

Our new name will help us expand Rotary's public profile and create a unique regional identity.

Please note the term Zone 8 will still be used for internal Rotary purposes in certain circumstances.

The Four-Way Test

of the things we think, say or do.

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **GOODWILL & BETTER FRIENDSHIPS**?
4. Will it be **beneficial** to all concerned?

Starring Scarlett Johansson and Channing Tatum, **FLY ME TO THE MOON** is a sharp, stylish comedy-drama set against the high-stakes backdrop of NASA's historic Apollo 11 moon landing. Brought in to fix NASA's public image, sparks fly in all directions as marketing maven Kelly Jones (Johansson) wreaks havoc on launch director Cole Davis's (Tatum) already difficult task. When the White House deems the mission too important to fail, Jones is directed to stage a fake moon landing as back-up and the countdown truly begins...
