Last week's guest speaker **Jonathan P Leffler** presented a proposal for the Rotary Club of Regency Park to manage a charitable fund that has been setup by traditional owners using Carbon Credits payments from the Chevron Corporation. His office is near Pellegrini's, and he has noticed our weekly Friday morning walks over the last year. We have yet to work out details and plans, but it promises to be an exciting partnership.

Pictured above: Jonathon with Ron and President Brian

Jonathon also shared an article about a Carbon Credit project in Africa:

Mad March Cycle Challenge:

Russell Green achieved his goal of cycling over 500km during March, raising over \$1,000 towards Australian Rotary Health. Our club matched the money raised by also donating \$1000. Congratulations from our club.

The recent PAE movie night was a success despite Vic and Jack having to find their own lights to cook by...

Thanks to Jeff, Mark Streich and Mark Carter (Mark²) who were at WDVS last week assembling shelving for the kid's playroom. They then went on to remove a dead tree from the front garden.
